

2009-03-06

Agenda

CCB Board Workshop on EC WFD, and national programmes for Rus, Bel, Ukr, on River Basin Management Plans

Development of River Basin Management Plans within the WFD in the Baltic Sea Region (A workshop at the Board Meeting 14 March 2009.)

The EC WFD and the River Basin Management Plans within all EC Member States are from 22 Dec 2008, out for public consultation until summer 2009.

Citizens across Europe will need to join and actively contribute to the discussion during the public consultation process in 2009.

All CCB Board members are asked to make a short presentation, max 10 min, on the on-going national processes, and the experiences so far. (CCB secretary has made proposals for presentations from Board members).
