

Baltic Sea Hot Spots - Hazards and Possibilities for the Baltic Sea Region

CCB YEARBOOK 2002

Coalition Clean Baltic
FOR PROTECTION OF THE BALTIC SEA ENVIRONMENT

In Helsinki, February, 1990, non-governmental environmental organisations from nine countries of the Baltic Sea Region united and established the Coalition Clean Baltic (CCB) in order to co-operate on activities for protection of the Baltic Sea environment. CCB is a politically independent, non-profit association. Currently CCB unites 25 member organisations from Denmark, Estonia, Finland, Germany, Latvia, Lithuania, Poland, Russia and Sweden. CCB is gathering, producing and distributing information about environmental solutions for the Baltic Sea area. CCB co-operation projects help the member organisations to combine their efforts in the attempt to restore the Baltic Sea.
