

TIMETABLE AND DEADLINES 2009 FOR CCB/SIDA FINANCED PROJECTS

CCB/SIDA APPLICATIONS 2010-2011

For 2010-2011 only applications from Belarus and Ukraine can be included in the CCB/SSNC/Sida Application 2010-2011.

New as of this years application procedure is that the projects should be **two year projects**. Applications for one year projects will no longer be taken into consideration. However, the activities and the budget in the application should be divided in two parts split between 2010 and 2011 since the granted sum will be split in yearly budgets and financed during 2010 respectively 2011. A report for the project period 2010 shall be submitted to the CCB Secretariat in January 2011 and a final report shall be submitted in January 2012. For more information see the Guidelines for filling in the applications.
